Atlanta, NY 14808

### Quick Summary

- Greeting
- Membership
- Vintage Show/Fall Foliage Festival
- Volunteers

### Greeting:

I hope everyone had a great summer, it went by fast. You may have seen a little reminder in the mail from the DOT about the upcoming season. As usual, DOT has mailed out snowmobile registration renewals in August so for any early birds eager to get your renewals processed, our updated 2018-2019 membership application has been posted on our website. Over the summer months the club held 2 officers meetings to keep the club on track and prepare for the upcoming season. I have to apologize that last year was an all-time low for newsletters being published. Our groomers did get out last season when there was snow and for a few weeks we had some pretty nice riding trails. I hope many of you were able to get out and enjoy a ride on our trails. Our pre-season maintenance has been performed so our groomer fleet will be ready once the season is open and we have enough snow on the ground. Our first normal meeting was last month and the second meeting will be next week, October 11<sup>th</sup>. For those of you who have kids needing the safety course, we will be holding a class on December 8<sup>th</sup> at the Wayland American Legion, new location this year. We hope this venue will attract more participants that may travel down I390 just for the class. More details will be posted soon on our website and we'll try to send out a separate email to all members.

### Membership:

#### ***Listed below are the different ways to join or renew your membership with our club:***

- ❖ Visit our website, click on "Membership Application", mail us a check and we will print and mail your voucher if an email address wasn't provided.
- ❖ Visit our website and click on "Join A Club Online" (you will be redirected to NYSSA), click on "our members" and find us under Steuben County. Complete the form, pay by debit or credit card and you can then print your own voucher. Instructions are posted on our website as a pdf file.
- ❖ Join at one of our meetings.

For those members who list an email address, you will receive an email from **NYSSA** with a link to print off your voucher. To save on administrative costs the club will not be mailing out hard copy vouchers to members with email addresses, as we have done for the past several years. To log on NYSSA you will need to know your NYSSA User Id (6-digit NYSSA ID#) & password for the membership system. Click on the Green button. Instructions have been posted on our website to aid you in this process.

A reminder, DVM has an on-line snowmobile registration option so you do not have to go into your local DMV office to register your snowmobiler(s). Link: <https://transact.dmv.ny.gov/registrationrenew/?stype=s>

## Vintage Show & Fall Foliage Festival:

The club is proud to announce we are holding our 2<sup>nd</sup> Annual Antique and Vintage Snowmobile Show "The Fall Classic" on Sunday October 7<sup>th</sup> at the 53<sup>rd</sup> annual Cohocton Fall Foliage Festival, this coming weekend. Last year's inaugural event was a great success with over 30 sleds in attendance. We are hoping to build on this number. Flyers are posted on the website, social media and have been handed out at various vintage shows around the state. If you have an older sled you would like to enter into the show, please see our flyer and entry forms. Trophies will be handed out in various snowmobile classes. If you don't have a sled to enter, stop out and see all the machines from decades gone by and support fellow snowmobile enthusiasts. The vintage show will be near the soccer fields behind the Cohocton School. The club will also have a vendor tent set up at the Sunday show for folks to join the club, renew memberships or purchase club merchandise. Please come out and support the club by visiting our volunteers and enjoy the other activities that the Fall Foliage Festival has to offer.

## Trail Volunteers:

A call to all our **Trail Volunteers**, we have kept your names from last year on our list. The club is always seeking new members to join work crews and make the installation of our trails faster and easier. Typically our crews trim back brush, cut a few trees where needed (with landowner approval), install trail stakes and screw in signs. Two year's ago we added a check box at the top of our membership application if you are able to volunteer your time. You can also join by attending a meeting or calling one of our trail bosses. Below is a list of our trail bosses and numbers where they can be reached. For last year's volunteers who qualified, your free membership will be processed after filling out a Volunteer Membership form, which helps us verify that all your contact information is current and valid. Contact your trail boss if you have not received one of the forms. Remember to keep an eye out on your email inboxes for notification to logging into the NYSSA website and print your voucher off.

Section 1	Daryl Wolfanger	585-534-5981 (Atlanta to Food Mart)
Section 2	Jeff Erwin	585-734-6835 (Atlanta to Emo Road near Loon Lake)
Section 3	John Strait	585-721-1641 (Emo Road to Ward Road)
Section 4	Joe Ellis	585-245-1506 (Ward Road to Stone Hill Road)
Section 5	Don Pfaff	607-382-5922 (Stone Hill Road to Intersection with Bath C2 trail)

In closing, I'm looking forward to the trail improvement projects the club hopes to undertake this fall. They will certainly improve overall safety on the trail and make for a more enjoyable riding experience once the snow starts falling. Again, our meetings are held at the Mt. View in Atlanta, NY 7:30 PM the second Thursday of the month. Hope to see you there. November will be our annual membership drive meeting, details in our next newsletter. As always, if you have any comments or questions feel free to contact myself or any of the club officers.

Sincerely,

Quad County Snowmobile Club  
Mark Wolfanger, President
